

REMARKS

Reconsideration of the application is respectfully requested based on the following remarks.

In the Office Action, the Examiner rejected claims 105-121. Claims 105-121 have been canceled, herein, without prejudice or disclaimer and applicant reserves the right to prosecute canceled subject matter in a continuing application. New claims 122-135 have been added. Applicant asserts that no new matter has been added. As such, claims 122-135 are currently pending.

Respectfully submitted,

Tom Xu
